AMERICAN INTERNATIONAL COLLEGE

2023-2024 HEALTH INSURANCE PLAN COMPARISON CHECK LIST:

Use the following grid to determine whether the plan you're considering is comparable to the AIC Student Health Insurance Plan. Your plan must be compliant with Massachusetts regulations and the Patient Protection Affordable Care Act (PPACA). It is your responsibility to review your plan and talk to your insurance agent about any questions you have on your plan.

If your plan doesn't meet, at a minimum, the following requirements, you cannot waive the AIC Student Health Insurance Plan.

Minimum Health Insurance Plan Comparable Coverage Requirements		My Plan
This Grid is to be used to determine if you have comparable coverage. It is for your usage only, please go online to complete the waiver or enrollment.		
Student Health Insurance Plan	Yes	No
1.A network of doctors, specialists, and hospitals within 30 miles of the AIC campus in Springfield, MA (local area) effective from the beginning of the period of enrollment. All coverage requirements listed in items 3 through 12 must be available within the local area.		
2. An insurance company whose home office is based in the United States and whose plan is filed and approved in the US and compliant with the Affordable Care Act (ACA).		
3. An unlimited plan maximum benefit: This means no maximum benefit per illness or injury per coverage period or per lifetime		
4. Immediate Coverage for Preexisting Conditions; no waiting period for services (In addition to looking at what's covered, check the list of exclusions and limitations).		
5. Emergency Services Coverage—no limits on coverage		
6. Maternity Coverage and Coverage for Newborns—no limit on coverage		
7. Mental Health/Substance Abuse, no limits outpatient or inpatient—no dollar limits or days of treatment limits		
8. Pharmacy Benefits—no maximum dollar amount		
9. Preventive Care and Primary Care Services: This means coverage for routine physicals, physician visits exams, gynecological exams, coverage for preventive lab tests, preventive immunizations and vaccinations.		
10. Surgical services—no maximum dollar amount		
11. Hospitalization Benefits—no maximum dollar amount or limit to number of days		
12. Ambulatory Patient Services—no maximum dollar amount		
If you answered NO to any question (1-12) then your plan is not comparable		
13. Do you have Massachusetts Health Safety Net, MassHealth Limited, or The Children's Medical Security Program?		
14. Do you have an out-of-state Medicaid Plan other than Connecticut Husky Health*? <i>*Connecticut Husky Health is considered to be comparable coverage but some coverage items are only available in the state of Connecticut which is within the 30 mile required radius of AIC.</i> Husky Health: Answer <u>NO</u> to this question on the online waiver form		
15. Do you have a plan purchased on a monthly basis?		
If you answered YES to questions 13, 14 or 15 then your plan is not comparable

- > **Athletes:** If you need the insurance, you MUST ENROLL at least 10 days prior to arriving on campus for athletic events.
- > **Cancel Coverage:** Enrollment is on an annual basis. The coverage cannot be canceled once you are enrolled unless you qualify for one of the few exceptions. Contact Student Accounts for details.
- > **Insurance Card:** Please allow 7-12 business days for an insurance card to be available.

FAQ'S

Where are my work-study funds?

Work-study is NOT applied to the student account. Students must be employed in a work-study eligible position and earn the funds in the form a paycheck.

Why are the Unsubsidized Direct Loan, Subsidized Direct Loan, and/or Parent Plus loan showing for a different amount on my student billing statement than on the Financial Aid award letter?

These loans all have origination fees that are deducted prior to being applied to your account.

When will I receive an updated billing statement?

AIC sends out one billing statement at the beginning of each semester.

Students are expected to go to the MyAIC portal (My Profile then My Student Billing) to view updates to the billing statement.

AIC is committed to providing options for monthly payment plans that allow for the maximum flexibility for students and their families.

AIC has partnered with Nelnet Campus Commerce to offer an integrated, realtime display of your current balance(s), display your account transactions, make online payments and set up monthly payment plans.

We offer multiple plans and the option of choosing a **payment date of the 5th or the 20th** of each month. The plans are listed on aic.edu/paybill.

Notes:

Plan Fees

- \$25 enrollment fee per plan paid to our plan partner Nelnet per semester
- \$30 returned payment fee

Overlapping Plans:

- Please pay attention the start and end dates of your plans when setting them up. It is possible to have plans that overlap and have multiple payments occur in the same month.

Example:

- If you set up a Fall payment plan for \$500 a month that is from August to January; then you set up a \$500 a month plan for the Spring term that runs January to June; in January you will have \$1,000 in payments processed (\$500 for Fall and \$500 for Spring).
