

Become a Mentor and Shape the Future!

AIC MENTORSHIP PROGRAM

Are you passionate about guiding the next generation of professionals? Our students are eager to learn from your expertise, whether they've requested a mentor themselves or have been recommended by a coach or advisor. The AIC Mentorship Program offers a unique opportunity for you to make a lasting impact in just a couple of hours a month.

Mentorship Benefits

- **Industry Insights:** Share your knowledge and experience to help students navigate their career paths and make informed decisions.
- **Professional Guidance:** Offer advice on professional development, job searches, and career progression.
- **Networking Opportunities:** Help students build their professional network, while expanding your own connections in the AIC community.

Time Commitment

We understand your time is valuable. That's why we've designed the program to fit into your schedule. Commit to just a couple of hours a month—whether it's through an informational interview, a virtual chat, or another mentoring activity that suits you and your mentee.
