

## Posting and Commenting on a Blog

A blog is comprised of many posts. Readers of the blog can comment with their own feedback on each post.

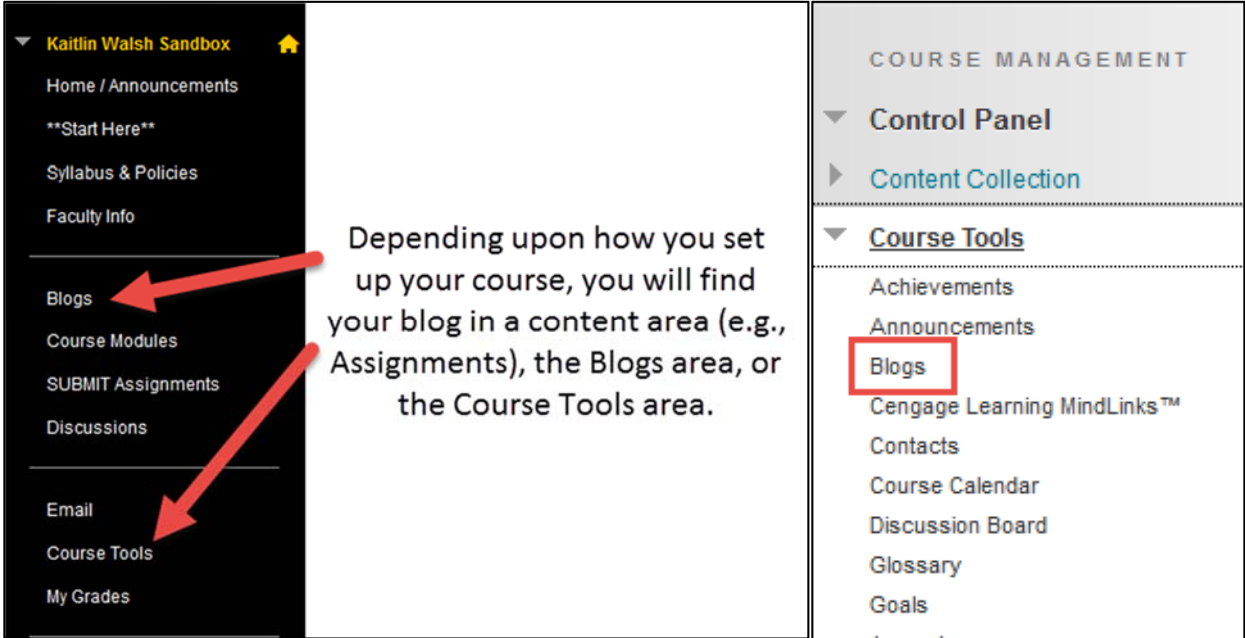

Click on a topic to jump to the attendant instructions.

[Comment on a Post](#)

### Post to a Blog

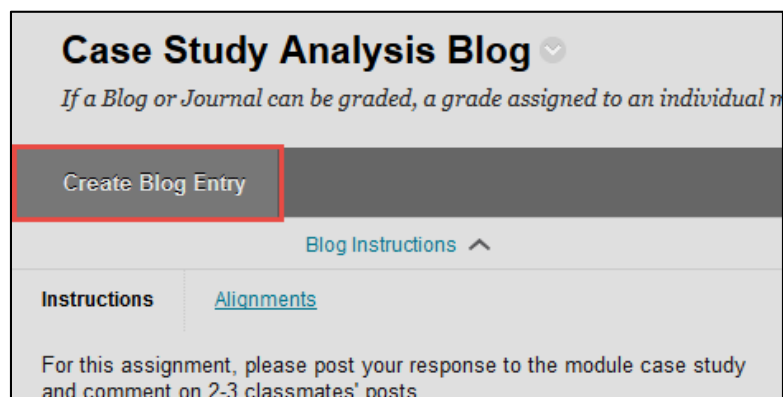

1. Log into the Blackboard system and click to enter the course where you wish to post to a blog.
2. Once you are in the course you will navigate to the blog. Depending on how the course has been set up there may be a dedicated Blogs button in the course menu, or you may click Course Tools and then Blogs.

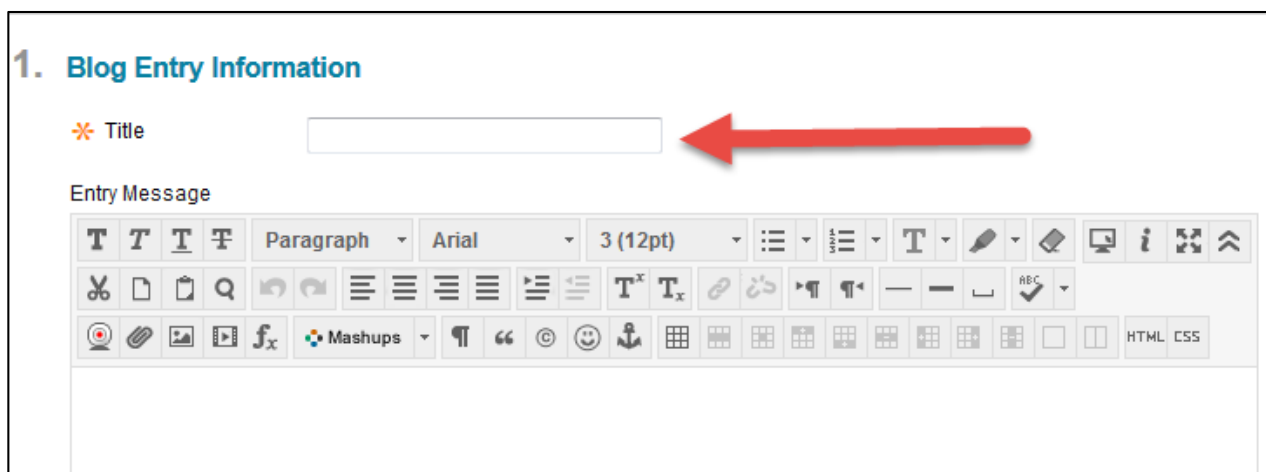

3. If there are multiple blogs, make sure to click into the appropriate one.

4. On the blog homepage you will press the **Create Blog Entry** button.

5. Enter a subject and message body for the post. Add an attachment, if desired.

6. Press **Post Entry** when ready to share the post with others, or you can use **Save Entry as Draft** if you want to resume your work later.

### 3. Submit

*Click **Post** to finish. Click **Cancel** to quit without saving changes.*

## Comment on a Post

1. Log into the Blackboard system and click to enter the course where you wish to comment on a blog.
2. Once you are in the course you will navigate to the blog. Depending on how the course has been set up there may be a dedicated Blogs button in the course menu, or you may click Course Tools and then Blogs.

Depending upon how you set up your course, you will find your blog in a content area (e.g., Assignments), the Blogs area, or the Course Tools area.

The image shows a Blackboard course navigation interface. On the left is a dark sidebar menu for 'Kaitlin Walsh Sandbox' with options like Home / Announcements, Syllabus & Policies, Faculty Info, Blogs, Course Modules, SUBMIT Assignments, Discussions, Email, Course Tools, and My Grades. Two red arrows point from the 'Blogs' and 'Course Tools' options in this sidebar to a central text box. On the right is a 'COURSE MANAGEMENT' sidebar with sections: Control Panel, Content Collection, and Course Tools. The 'Blogs' option under 'Course Tools' is highlighted with a red box.

3. If there are multiple blogs, make sure to click into the appropriate one.

**Blogs**  
*Blogs are an open communications tool for Students to share their thoughts.*
