

Health Requirements for the 2025-2026 Academic Year

- 1. Immunizations Records:** required for all students who attend any classes, sports, activities or live on campus. You must upload your records to the AIC Patient Portal at: <https://aic.medicatconnect.com/>
Please note: All records must be translated into English and dates must be written in MM/DD/YYYY format.

Tdap	1 dose; given within the last 10 years.
Hepatitis B	3 doses; or laboratory evidence of immunity acceptable; or 2 doses of Heplisav-B given on or after 18 years of age are acceptable.
MMR	2 doses; first dose must be given on or after the 1 st birthday and second dose must be given ≥ 28 days after first dose; or laboratory evidence of immunity acceptable (positive titers).
Varicella	2 doses; first dose must be given on or after the 1 st birthday and second dose must be given ≥ 28 days after first dose; or a reliable history of chickenpox documented by a medical provider; or laboratory evidence of immunity acceptable.
Meningococcal	1 dose; 1 dose MenACWY (formerly MCV4) required for all full-time students 21 years of age or younger. The dose of MenACWY vaccine must have been received on or after the student's 16 th birthday. Doses received at younger ages do not count towards this requirement. Students may decline MenACWY vaccine after they have read and signed the MDPH Meningococcal Information and Waiver Form . Meningococcal B vaccine is not required and does not meet this requirement.

- 2. Physical Exam:** All students must submit an annual physical exam completed by a licensed medical provider (MD, DO, PA or NP).
- 3. Student Health Insurance Program (SHIP) Enrollment or Waiver:** to be completed every year online through the Office of Student Accounts:
https://aicportal.jenzabarcloud.com/ICS/Billing_amp_Financial_Aid/Student_Accounts/Student_Health_Insurance.jnz
- 4. Tuberculosis (TB) Screening Questionnaire:** To be completed prior to arriving to campus. If you answered "yes" to any of the [screening questions](#), please submit a copy of negative IGRA results.

Additional Requirements for Student-Athletes:
