

## StandOut® in Your Interview!

**Polish Your Skills and Land Your Dream Job**

---

*StandOut*® is the video interview practice platform that uses advanced cognitive computing and AI to improve your job interviewing skills. StandOut also includes Advising and Mentoring features to help you gain valuable feedback and job market insight.

### Practice Interviews

- Conduct practice interviews curated by your school
- Use the AI-driven response analysis to understand how well you're seen and heard
- Share practice interview responses with your campus career advisors for feedback and coaching

### Create Your Own Practice Tool

- Create unlimited practice interviews from over 140 career and industry categories
- Use the StandOut video library, containing 10 diverse interviewers and over 3,200 interview questions
- Self-reflect with the AI-driven response analysis or share responses with peers or advisors

### Career Advising and Mentoring

- Seek career coaching and advice from campus advisors
- Interact with alumni, peers, or other mentors made available by your institution
