

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

Welcome to the American International College Student Housing Agreement. Here, you will be able to find our terms, policies and procedures involved with living on campus. A student agrees these terms, policies and procedures when the student submits their application to live on campus. The AIC Student Housing Agreement can be found on our website ([www.aic.edu/myhousing](http://www.aic.edu/myhousing)) and a PDF version of the agreement is emailed to each student after they complete and submit their application for on-campus living; the AIC Student Housing Agreement is sent to the student’s AIC email address.

**SECTION 12 of the STUDENT HANDBOOK**

**1. GENERAL RESIDENCE POLICY**

a) Room and roommate assignments are made without regard to race, creed, religion, national origin, political beliefs, sexual orientation, disability, veteran status, age, or any other categories protected by the Commonwealth of Massachusetts and by federal law.

b) The resident will abide by the regulations of the College set forth in the current edition of the Student Handbook, the regulations set forth in this Student Housing Agreement, and by the regulations established by the Residence Life staff of the building in which the resident resides. This includes provisions discussed during student floor and building meetings.

c) It is expressly understood that violation of policies in the Student Handbook or the Student Housing Agreement by the resident may result in penalties ranging from a verbal warning to permanent dismissal from the College. (See student handbook section 3)

d) The College is under no obligation to house a resident who has been previously removed from housing due to a failure to abide by the conditions of this agreement. Where appropriate for the personal safety of the resident(s), and by adherence to college policy, the College reserves the right to remove a student from their residence hall. In addition, the College may exclude a student from the residences to protect the public health or the safety of the individual student or the entire student body.

**2. ELIGIBILITY**

a) Only registered and currently enrolled American International College students are eligible to reside in college housing. Unclassified students may be considered for housing at the discretion of the Associate Dean of Students upon written appeal. No family housing is available.

b) Full-time undergraduate students under the age of 23 are required to live in campus housing (with exceptions noted below).

If a student meets the requirements for an exception- the Off-Campus Residency Application must be submitted to the Department of Residence Life by the first day of classes in the semester in which the student matriculates. In addition, applicants must complete the Off-Campus Residency Education Program in order to be released from housing. Students that meet the requirements for an exception who move off campus without authorization, and without completing the Off-Campus Residency Education Program by 14 days after the last day of the add/drop period of each semester, will be assessed a non-refundable non-compliance fine in the amount of \$300. A Dean of Students Hold will be applied to any non-compliant student's record in the event the Off-Campus Residency Education Program is not completed 14 days after fining.

If a student DOES NOT meet the requirements for an exception and moves off campus without authorization, they will be assessed a \$5000 Residency Requirement Non-Compliance Fee. This fee will be applied to each semester the student is not in compliance with the residency requirement.

c) Students will be considered eligible to live off-campus, if the following conditions apply:

Students enrolled before Fall 2018:

1) The student is a junior by credits as of the first day of classes in the Fall semester and has completed the Off-Campus Residency Application and Education Program  
- OR -

2) The student is 23 years of age or older as of the first day of classes in the Fall semester and has completed the Off-Campus Residency Application and Education Program. However, if the student signs the housing agreement, it is binding unless a waiver is approved by Residence Life or the Waiver and Accommodations Committee.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

-OR-

3) The student is a freshman or sophomore by credits as of the first day of classes in the Fall semester, and at least one of the following criteria apply:

- o The student lives in the parent/guardian(s) home that is within a 30-mile radius of AIC.
- o The student is the legally responsible party for dependent children or other family member(s).
- o The student is living with their spouse.
- o The student has an extenuating circumstance and receives a waiver approved by the Waiver Approval Committee.
- o The student has received a written accommodation from AIC's Accessibility Services Coordinator indicating a need for housing that the institution cannot accommodate.

Students enrolled starting Fall 2018:

1) The student is a senior by credits as of the first day of classes in the Fall semester and has completed the Off-Campus Residency Application and Education Program

- OR-

2) The student is 23 years of age or older as of the first day of classes in the Fall semester and has completed the Off-Campus Residency Application and Education Program. However, if the student signs the housing agreement, it is binding unless a waiver is approved by Residence Life or the Waiver and Accommodations Committee.

-OR-

3) The student is a freshman, sophomore or junior by credits as of the first day of classes in the Fall semester and at least one of the following criteria apply:

- o The student lives in the parent/guardian(s) home that is within a 30-mile radius of AIC.
- o The student is the legally responsible party for dependent children or other family member(s).
- o The student is living with their spouse.
- o The student has an extenuating circumstance and receives a waiver approved by the Waiver Approval Committee.
- o The student has received a written accommodation from AIC's Accessibility Services Coordinator indicating a need for housing that the institution cannot accommodate.

Students who meet the criteria of c3 must fill out an Off Campus Residency Application but will not be required to complete the Off-Campus Residency Education Program.

d) In recognition that there may be unique circumstances not addressed by one of the qualifying exceptions, the Waiver Approval Committee may grant an exception to the policy after consideration of a written appeal by the student.

**3. FINANCIAL AID POLICY**

a) The College considers a student's housing status when calculating financial aid awards. Any student living on campus who elects to live off campus will be subject to a review of their financial aid award. This review will focus on the level of institutionally controlled grant assistance for either or both the fall and spring semesters. The anticipated reduction in grant assistance due to off campus housing will vary based on the individual circumstances of the student applicant. Similar scrutiny will also be applied to the aid awards of returning students who file for financial aid after May 1st.

**4. ASSIGNMENT OF HOUSING/APPLICATION PROCESS**

a) Applications must be made directly to the Department of Residence Life by submitting a student housing application and accepting the terms of the Student Housing Agreement through the MyHousing web portal ([www.aic.edu/myhousing](http://www.aic.edu/myhousing)). If the student has not applied in this manner, the student will not be considered for housing. No other department or person on campus can assign housing other than designees of the Department of Residence Life. All students must apply online in this manner.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

b) The College reserves the right to change room assignments and to reassign students to different rooms at any time as deemed necessary.

c) Room assignments for new students to AIC will typically be posted to the MyHousing portal in July for the fall semester and in early January for new spring semester residents.

**5. HOUSING RATES**

a) The resident agrees to pay the College in advance, on a semester basis, the rent established for the room that is assigned.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

**7. VACANCIES**

a) The Department of Residence Life reserves the right to fill all vacancies at any time.

b) If a space becomes available in a room because a roommate moves out or does not arrive, the Department of Residence Life reserves the right to fill the vacancy without notice if the resident is not paying the single room rate. If another student is assigned to be the resident's new roommate, that assignment is final – the current resident does not have the ability to veto this decision. In most cases, the Department of Residence Life will attempt to give 24 hours notice prior to the roommate moving into the room. This period allows time for the current resident to prepare to receive the new roommate positively; it is not an opportunity to consider or reject the assignment.

i) If the room is not purchased as a single buyout, the room must remain in move-in ready condition for another student to move in. This means that beds must remain separated and other furniture must not be used by the current resident. A conduct fine will be assessed if this is not followed.

c) Students with vacancies at any time may request to purchase the room as a single buyout with the Department of Residence Life. The Department of Residence Life will consult with the Student Accounts Office and if approved, such space will be taken off the vacancy list and the student will be billed the appropriate cost for the single assignment. If the student does not pay for a single room, the student will be required to go through the room consolidation process as outlined below.

d) Room Consolidation Process:

The following options are available to students who have vacancies as of the first day of classes for the Fall Semester:

- i. Pull another student of their choice into their room that will result in a consolidation.
- ii. Move to another student's room of their choice that will result in a consolidation.
- iii. Purchase the room as a "Single Buyout." This option is based on overall room availability on campus for current and incoming students.
- iv. If the student does not fill their vacant space, move to another room, or purchase the room as a single buyout, the student will automatically be charged for the single buyout rate, and the other bed will be taken offline. The student may later reverse this decision for a prorated cost, depending on when the student makes the request.

The following options are available to students who have vacancies as of the first day of classes for the Spring Semester:

- i. Pull another student of their choice into their room that will result in a consolidation.
- ii. Move to another student's room of their choice that will result in a consolidation.
- iii. Purchase the room as a "Single due to Vacancy" for an upcharge of 15% added to the semester room rate. This option is based on overall room availability on campus for current and incoming students. This option is only available for students that meet the criteria for a Single Due to Vacancy as defined below.

A Single Due to Vacancy is as follows:

- I. A student living in a double room, who had a roommate living with them for the majority of the Fall Semester and currently has a vacancy in their room.
- II. The "Single Due to Vacancy" reduction cannot be made retroactive at semester break for any student who purchased a full rate single buyout at the time of housing application/selection or during the Fall semester.
- III. If the student does not fill their vacant space, move to another room, or purchase the room as a single due to vacancy, the student will automatically be charged for the single buyout rate, and the other bed will be taken offline. The student may later reverse this decision for a prorated cost, depending on when the student makes the request.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

e) Residents who engage in conduct designed or intended to dissuade or intimidate other students from moving into a room, or who otherwise attempt to manipulate the housing assignment process, will be subject to conduct action and mandatory billing for a single. Residents not removing belongings from half of the room during the consolidation process or after receiving notification of a new roommate from the Department of Residence Life is considered an act of intimidation.

**8. BOARD REQUIREMENT**

a) All first-year undergraduate students must carry an all-access meal plan. Sophomores to Seniors may purchase other meal plans if they are eligible. Graduate students may purchase any meal plan; those living in apartment style housing may waive their meal plan.

b) Meal Plan Rates

<b>Meal Plan</b>	<b>Rate Per Semester</b>	<b>First Year Students</b>	<b>Undergraduate Students (Sophomore - Senior)</b>	<b>Graduate &amp; Doctoral Students</b>
7 Day, Unlimited +\$300 Dining Dollars	\$4,045	Minimum requirement for first-year students living anywhere on campus.	May purchase.	May purchase.
14 Meals Per Week +\$200 Dining Dollars	\$3,305	Not eligible.	Minimum meal plan for non-first-year undergraduate students living anywhere on campus except the Acorn complex.	May purchase.
125 Meals Per Semester +\$200 Dining Dollars	\$2,085	Not eligible.	Optional meal plan for undergraduate students living in the Acorn Complex.	May purchase.
75 Meals per semester +\$100 Dining Dollars	\$1,250	Not eligible	Minimum requirement for undergraduate students living in the Acorn Complex.	Minimum requirement for graduate and doctoral students living in any residence hall except the Acorn Complex.

c) Consideration for waiving the meal plan requirement is rare. The following general conditions are the only considerations for which a waiver is granted:

- Food allergy or medical condition that meets Americans with Disabilities Act (ADA) standards, supported by full diagnostic results from a qualified physician, along with the inability of our

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

food service provider to meet such dietary needs. This must be reviewed and approved by the [AIC Center for Accessibility Services and Academic Accommodations](#).

- Extreme, and unforeseen financial hardship as endorsed and approved by the Waiver Approval Committee.

Since our food service provider can accommodate the following circumstances, waivers will not be granted for

- Class, sport, or employment schedules
- Religious reasons
- Vegetarian/Vegan/Organic Diets
- Lactose intolerance
- Gluten free diets
- Food preferences, likes or dislikes

d) Applications for a meal plan waiver must be submitted on or before the first day of class for any term to receive a full credit for the cost of the meal plan.

**9. PERSONAL PROPERTY AND INSURANCE FOR FIRE/THEFT/DAMAGE**

a) The College is not responsible or liable for any loss or damage to personal property resulting from fire, theft, or any cause. It is strongly recommended that each student obtain personal property insurance. Students may apply directly for insurance from [www.nssi.com](http://www.nssi.com) or another vendor of their choosing.

**10. CHECKING INTO A ROOM:**

a) Room Key: Each resident will receive a room key(s) and a front door access code. Residents will agree on their room condition report (RCR) indicating they have obtained their key(s). Residents may not change or add locks (including chain locks, deadbolts, etc.).

b) Room Condition Reports: When a student moves into a residence hall, he or she must verify the accuracy of the check-in portion of the room condition report and accept or contest the RCR within 72 hours. Any damages or missing items must be noted in the comment section and verified by a Residence Life staff member to prevent a charge at check-out. The resident will review the RCR and acknowledge that the RCR represents that the conditions recorded at check-in are accurate. Failure to complete the online RCR will result in the condition being accepted as stated on the RCR. The RCR can be found by going to [www.aic.edu/myhousing](http://www.aic.edu/myhousing).

c) Early Check-In: Residents must abide by the appointed schedule for arrival. Early arrivals will be limited to those student leaders designated essential to college activities in advance of the official opening, athletes participating in preseason training camps, and international students with prior permission from the international student advisor. No other residents are typically permitted to arrive before the official posted opening date. If an early arrival is deemed necessary and approved, the early arrival will be charged the daily housing rate (\$45 per day) in addition to semester room charges.

d) Late Check-In: Spaces will be held until 4:00 p.m. on the first day of classes of each semester, unless prior written notification of late arrival is received by the Department of Residence Life. Failure to arrive by this time will result in forfeiture of space.

e) Lockouts: Students locked out of their room should contact a hall staff member for admittance to the room. Students must provide proof of residency (student ID card). Residents will receive two (2) free lockouts per year and will be charged \$10 per lockout after the second. A lockout is defined as a resident missing their ID and/or key to enter the building/apartment and/or bedroom. Residents will only be admitted to their assigned room. If Campus Police is called for a lockout, there will be a \$30 emergency lockout charge assessed to the student's account.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

f) Lost Keys: If a key is lost, a lock change will be initiated, and a \$75 charge will be assessed to the resident's account. Residents of Broadhurst, Edgewood and Acorn: If both keys are lost at the same time, both locks will be changed and a \$100 charge will be assessed.

g.) Housing Freeze: Starting 14 days (about 2 weeks) prior to move-in of the fall and spring semester, until the end of the open add/drop period, a housing freeze is in effect. During the housing freeze, room changes are not granted unless an emergency presents itself and the Department of Residence Life and/or AIC Campus Police is required to intervene. The Department of Residence Life will start receiving and reviewing requests to move starting the day the open add/drop period ends.

**11. CHECKING OUT OF A ROOM:**

a) This procedure applies to all residents checking out of any room, at any time, for any reason. Reasons can include but are not limited to: voluntary or involuntary withdrawal from the College, moving to a new room assignment on campus, or moving off campus.

b) Standard Check Out (Best Option)

Step 1. Schedule a time with the RA on the resident's assigned floor to perform a room check out based on when all personal belongings will be removed from room.

Step 2. Remove all personal belongings. All rooms must be swept and cleared of all debris, or a cleaning fee will be assessed to the student's account.

Step 3. Have RA conduct room check out.

3A. Sign the "check out" portion of the RCR. The Department of Residence Life assumes that the resident agrees to the room condition as stated in the RCR if the resident checks out improperly and the resident will also forfeit their right to appeal damage charges if they check out improperly.

3B. Return key to the Residence Life staff member. Failure to turn in the key during check-out will result in a fee (see section 10f. for specific fees).

c) Express Check Out\*

\*NOTE: Using this option forfeits the student's right to appeal any damage charges.

Step 1. Obtain express check out envelope from a Residence Life Staff member.

Step 2. Remove all personal belongings. All rooms must be swept and cleared of all debris, or a cleaning fee will be assessed to the student's account.

American International College is required to comply with furniture fire code standards of both local city government and the Massachusetts Comprehensive Fire Safety Code (527 CMR 1). All upholstered furniture that is constructed of on-half inch or more thickness padding are subject to these requirements, including mattresses. Should a student require a mattress to accommodate a medical need, that accommodation must be approved through the Center for Accessibility Services and Academic Accommodations. This will require medical documentation indicating that mattress pads/toppers are not able to meet the needs of the student, and that a mattress is required. The student is required to submit proof of purchase of the mattress and a photo of the original, sewn-in California Technical Bulletin 129 (CAL129) or Title 16 of the Code of Federal Regulations part 1633 (16 CFR 1633) label no less than 5 business days prior to the mattress’s arrival; if this documentation is submitted late, the approval process for the mattress will be delayed. b) All searches initiated through administrative cause must be approved through consultation with the Student Affairs Administrator on Call. The above does not apply to searches conducted by local, state, or federal police bureaus; such searches are governed by the Commonwealth of Massachusetts, or the federal government.

**19. PERSONAL SAFETY AND SECURITY**

a) Although the College utilizes several security mechanisms and precautions including but not limited to 24-hour Campus Police, Residence Life staff, security cameras, secured doors, and individual room locks, the college cannot guarantee the safety and security of the premises. Residents are responsible for their personal security and should make sure their rooms are secure and that secured exterior and common area doors are not propped or breached. Residents are also responsible for their personal property. The College is not responsible or liable for any loss or damage to personal property resulting from fire, theft or any cause. It is strongly recommended that each student obtain personal property insurance. Students should apply directly for insurance from [www.nssi.com](http://www.nssi.com) or another vendor of their choosing.

c) Residents may not engage in any activity which creates a safety risk or which jeopardizes the security of the premises, including, but not limited to the propping/taping of exterior and other restricted doors.

d) For safety reasons, the roofs, window ledges and mechanical equipment rooms of all college buildings are restricted areas and may not be entered.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

e) Individuals observed in the hall who are not residents or approved guests should be reported immediately to a Residence Life staff member or Campus Police.

**20. FIRE SAFETY**

a) Every campus residence hall is equipped with fire prevention and alert systems that include smoke detectors, audible sirens, and fire extinguishers. Acorn Heights, Edgewood, Broadhurst, and Hines Halls are equipped with sprinkler systems. These systems are tested periodically throughout the year. The College continues to update systems for the improvement of campus safety.

b) Electrical circuits, cable, or data wires cannot be altered by occupants, or anyone not authorized by the College.

c) Appliances, lamps, and other electrical equipment with damaged, worn, cracked or frayed cords and plugs must be replaced.

d) All lighting fixtures must use only light bulbs of type and wattage as recommended by the manufacturer.

g) The integrity of all ceilings, floors, walls, fire alarm units, and sprinkler systems must remain intact and not be disturbed.

h) Additional wall/ceiling coverings (e.g., wallpaper, paneling, tapestries, etc.) cannot be installed/hung by occupants. No more than 25% of an individual wall may be covered. Repeat offenses, regardless of the cause, will result in significant increases in fines and conduct action.

If a guest arrives before 6:00 PM, the host must bring the guest to the front desk of their residence hall at 6:00 PM to sign them in.

**DEPARTMENT OF RESIDENCE LIFE: HOUSING AGREEMENT**

i) Underage guest policy: Any resident that wishes to have a guest in the residence halls that is under the age of 18 and does not attend college/university must contact their Residence Director at least 2 business days in advance and have the Residence Director fill out the Underage Guest Policy Form. Extended visits (beyond two consecutive days) are not permitted, nor is cohabitation (residency with someone other than the resident's officially assigned roommate). Quiet hours are 10:00pm to 8:00am Sundays-Thursdays, and 12:00am to 8:00am Fridays-Saturdays. Staff may enforce 24-hour quiet hours anytime deemed necessary.

Courtesy Hours: Courtesy hours are established to ensure that while students may freely rest or student without interruption, that it's acknowledged that some noise cannot be unavoidable when it's appropriate. This allows students to have "bursts" of noise that is not otherwise sustained (example, it's understandable that students may cheer for a game with a louder exclamation, but sustained loud music is not acceptable). Courtesy hours are enforced anytime quiet hours are not in effect.

**22. AIR CONDITIONERS**

a) Due to increased power drains in the residence halls, room air conditioners are not permitted unless a medical condition exists that meets Americans with Disabilities Act (ADA) standards, backed up with full diagnostic results from a qualified physician. f) Approved air conditioners may only be used from May 1- September 30 unless an additional accommodation is obtained.

g) The Department of Residence Life will provide a colored tag to be placed on the outside of the air conditioner.

h) All approved air conditioners must be installed by Facilities.
